Huh? What? I didn't hear you...

Sorry, bad joke.

Do we have anything from the announcement? I didn't get anything from our "collaborators" here in DC.

We've heard nothing. But with the current state of communications here, that's not surprising.

FYI,

I am going to this, have you been asked for anything? Bob P, Nancy Stoner, Ken Kopocis and Roger!!

Good Morning,

On behalf of the California Bay Delta Conservation Plan Working Group, I would like to request an appointment with you on Tuesday or Wednesday, July 31 – August 1. The Committee would like to update you on the current status of the Bay Delta Conservation Plan (BDCP), with special emphasis on the long anticipated joint federal/state announcement expected on July 25. For further information on the BDCP, please visit [www.BayDeltaConservationPlan.com](http://www.BayDeltaConservationPlan.com).

The BDCP is being developed with the guidance of the Steering Committee, which is a collaboration of state, federal and local water agencies, state and federal fish and wildlife agencies, environmental organizations, and other interested parties.

Those attending the meeting would be:

Jerry Meral, California Natural Resources Agency  
Laura King Moon, California State Water Contractors  
Jason Peltier, Westlands Water District  
Mark Kramer, The Nature Conservancy  
Brent Walthall, Kern County Water Authority  
Roger Patterson, Metropolitan Water District of Southern California

We are hopeful that your schedule will allow for a minute meeting on July 31 – August 1. Thank you in advance for your consideration, and I look forward to hearing back from you at your convenience.

Sincerely,  
Kristen Haskett  
Metropolitan Water District of Southern California
